
Title: FOLLOWERS OF ORDER

Author:

True follower of Order
do not despair! The
Hierophant hath led us to
a new world via passage
through the Wall of
Lights! Though thou wert
not here to make the
passage, fear not. Some
day thou too wilt join us.
If thou wishest to enter
into the Temple of the
Hierophant thou must
merely place the symbols
of Order upon the
pedestal indicated by the
plaque. Once the three
artifacts have been placed
one at a time, the door
will swing wide.

If thou art a true
disciple thou wilt have
read the scrolls that
contain the words of
wisdom that thou needest
to decipher the plaque's
meaning. The sacred
Library of the Hierophant
shall remain secure from
those who art not of
Order. For if thou art
not true, thou wilt never
enter into the
Hierophant's temple.
Behold! Thou art worthy
to cross to the Temple
of Balance! Within my
pages lie the bridges to
the great chasms. When
thou dost reach the
great pillars, stand
between them and read
my words once more.
